Subject: [Fwd: Netscape POS Report Due March 10th]

Mid Ohio Net has sold all of their prepaid 100 units. They prepaid 100%
of them. I called them to find out if they wanted to distribute anymore
and they said no way; not when the IE is free.

Consider this contract over.

Mary,

I have requested that they submit a final report to show the balance of
their prepay.
