CONFIDENTIAL

Marc,

I am from Netsales Paris : Please check this anti-competitive behavior from MSFT's distributor in the UK who would give for free a development CD worth £79 if customer is displaying the IE logo.

I do not know whether we still have to fwd you this kind of information.

Best regards,
Gerard Beaumont - Netsales Paris

>> Subject: Special Offer - FREE Microsoft Software.
>>
>> This is a special offer brought to you by What's New on the Internet,
>> (http://www.whatson.com/whatsnew) in association with Microsoft UK. Its
>> purpose is to encourage you to display the Internet Explorer (IE) Logo
>> on your Web site.
>>
>> In return for your displaying the IE Logo on your site, Microsoft UK
>> will send you a *free* copy of the `Mastering Internet Development
>> withActiveX Technologies' CD worth 79 pounds.  What's more, your site
>> will be listed on the Microsoft UK Web site at http://www.microsoft.com/UK.
>>
>> This is all you have to do:
>>
>> First collect one of the versions of the IE Logo from
>> http://www.microsoft.com/ie/logo.  The static version of the logo is
>> used to denote sites that take advantage of IE HTML extensions such as
>> marquees and background sounds. The animated logo is designed for Web
>> sites that useActiveX (tm) technology to create high-impact content.
>>
>> To claim your free CD, simply reply to this email with the following
>> details:
```
