12 Q. What functionality is contained in
13 BROWSEUI.DLL?
14 A. BROWSEUI.DLL only exists in IE 5.0. And
15 it contains areas of functionality with user
16 interface affordances that were previously organized
17 under SHDOCVW.DLL.
18 Q. Okay. So previous -- when you say
19 previous functions that were in SHDOCVW.DLL, is
20 that -- those functions were contained in SHDOCVW.DLL
21 in version 4.0 of IE?
22 A. Correct.
23 Q. And for version 5.0 of IE, they're now
24 contained in BROWSEUI.DLL; is that correct?
25 A. For some set of functions included in

Internet Explorer 4.0 SHDOCVW.DLL, some set have been transferred to BROWSEUI.DLL, and additional functions have been added as well.
