Subject: Microsoft Settlement

I am writing under the Tunney Act concerning the proposed Microsoft Settlement (United States v. Microsoft Corp., Civil No. 98-1232).

I believe the settlement is unfair, as it will not serve to end Microsoft's unlawful conduct, and does not adequately penalize Microsoft for it's unlawful conduct. I have co-signed a petition which details my position in greater detail, and am writing this to officially note my opinion as allowed by the Tunney Act.

Thank you very much,

Dan Peknik
