(c) Not to exceed \$10,000,000 of the excess unobligated balances available under section 524(c)(8)(E) of title 28, United States Code, shall be available for obligation during fiscal year 2020, and any use, obligation, transfer or allocation of such funds shall be treated as a reprogramming of funds under section 505 of this Act.	This provision impinges on the ability of the Attorney General to manage Department of Justice resources.
218	Section 1930(a)(6)(B) of title 28, United States Code, shall be applied for this fiscal year and next fiscal year by substituting “ \$300,000,000” for “ \$200,000,000”.	This provision is no longer necessary due to the enactment of the Bankruptcy Administration Improvement Act of 2020.
219	Section 527 of title 28, United States Code, is amended in the third sentence by inserting “: 1)” before “the Department” and by inserting “; and (2) federally recognized tribes for supplies, materials, and services related to access to Federal law enforcement databases;” after “and services.”	One-time provision that does not need repeating.

222	<p>There is hereby appropriated \$5,000,000, to remain available until expended, for an additional amount for “Department of Justice—General Administration”, for expenses associated with the development and operation of a database concerning substantiated instances of excessive use of force related to law enforcement matters and officer misconduct, as described by, and subject to the requirements of, section 3 of Executive Order 13929 (June 16, 2020), as such Executive Order was in effect on the date of the enactment of this Act: Provided, That the Attorney General may transfer the funds provided in this section to other appropriations accounts in the Department of Justice to use for expenses associated with the development and operation of such database: Provided further, That the transfer authority in the preceding proviso is in addition to any other transfer authority contained in this Act: Provided further, That any transfer pursuant to the first proviso shall be treated as a reprogramming under section 505 of this Act and shall not be available for obligation or expenditure except in compliance with the procedures set forth in that section.</p>	Provision is not needed for FY 2022.
