1/ This chart generally references the authorizations of appropriations, not the Acts authorizing operation of specific programs.

2/ The amount is subject to negotiation between the Attorney General and Secretary for Health and Human Services.

3/ Number includes total appropriation, including \$4 million transfer from DHS Immigration Examinations Fee.

4/ The National Security Division was established by Section 506(b)(1), P.L. 109-177, and received appropriations in FY 2007 - 2021. However, there have not been any authorizations of appropriations for the National Security Division.

5/ Title II of the James Zadroga 9/11 Health and Compensation Act of 2010 (P.L. 111-347) reopened the September 11th Victim Compensation Fund (9/11 VCF), extending eligibility for compensation associated with physical harm stemming from debris removal and extending the deadline for claims associated with harms not discovered before the Fund's original deadline. The 9/11 VCF was established by Public Law 107-42 as an alternative to litigation, and had terminated operations in 2004. Public Law 111-347 reopened the 9/11 VCF and made \$2.775 billion available for the settlement of claim determinations issued on or before December 17, 2015. After all claims in this group were resolved, roughly all remaining funds (\$813 million) became available in the new Victims Compensation Fund, cited on the next line/footnote.

6/ Public Law 114-113 provided \$4.6 billion starting in 2017 for the settlement of claims related to the September 11th attacks. Per Section 410, a new Treasury account was established called the "Victims Compensation Fund." This new fund is available for the settlement of claim determinations issued after December 17, 2015. After all claims in the September 11th Victim Compensation Fund were resolved, \$813 million in remaining funding became available in the new Victims Compensation Fund (VCF). On July 29, 2019, the President signed into law The Never Forget the Heroes: James Zadroga, Ray Pfeifer, and Luis Alvarez Permanent Authorization of the September 11th Victim Compensation Fund, Public Law No. 116-34 ("Permanent Authorization Act"). The Act extends the VCF's claim filing deadline to October 1, 2090, and appropriates such funds as may be necessary in each fiscal year through fiscal year 2092 to pay all eligible claims. In FY 2020 VCF had enough from carryover and did not require new funding. Additionally, FY 2021 Enacted and FY 2022 Request excludes sequestration.

7/ Starting in FY 2022 the USTP estimate of receipts will no longer be included, due to the January 2021 enactment of the Bankruptcy Administration Improvement Act, Pub. L. No. 116-325.

8/ The Radiation Exposure Compensation - Trust Fund terminates on July 11, 2022, the same day as the program sunsets.

9/ The Consolidated Youth Oriented Program includes the following programs: Engaging Men and Youth in Prevention, Grants to Assist Children and Youth Exposed to Violence, Supporting Teens Through Education Program, and Services to Advocate and Respond to Youth.
