Independent Auditors' Report on Compliance and Other Matters

United States Attorney General
U. S. Department of Justice

Inspector General
U. S. Department of Justice

We have audited the consolidated balance sheets of the U.S. Department of Justice (the Department) as of September 30, 2006 and 2005, and the related consolidated statements of net cost, changes in net position, and financing, and combined statements of budgetary resources and custodial activity (hereinafter referred to as "consolidated financial statements") for the years then ended, and have issued our report thereon dated November 10, 2006. That report indicated that we did not audit the financial statements of the following components of the Department: the U.S. Marshals Service (USMS); the Federal Bureau of Prisons (BOP); and the Federal Prison Industries, Inc. (FPI). Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our report, insofar as it related to the amounts included for those components, was based solely on the reports of the other auditors. As discussed in Note 18 to the consolidated financial statements, the Department changed its method of reporting earmarked funds to adopt the provisions of the Federal Accounting Standards Advisory Board's Statement of Federal Financial Accounting Standards No. 27, *Identifying and Reporting Earmarked Funds*, effective October 1, 2005.

We and the other auditors conducted our audits in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Office of Management and Budget (OMB) Bulletin No. 06-03, *Audit Requirements for Federal Financial Statements*. Those standards and OMB Bulletin No. 06-03 require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

As noted above, we did not audit the financial statements of the USMS, BOP, and FPI. Those financial statements were audited by other auditors whose reports thereon, including the other auditors' *Independent Auditors' Reports on Compliance and Other Matters*, have been furnished to us. Our report on the Department's compliance and other matters, insofar as it relates to these components, is based solely on the reports and findings of the other auditors.

The management of the Department is responsible for complying with laws, regulations, contracts, and grant agreements applicable to the Department. As part of obtaining reasonable assurance about whether the Department's fiscal year 2006 consolidated financial statements are free of material misstatement, we and the other auditors performed tests of the Department's compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of the consolidated financial statement amounts, and certain provisions of other laws and regulations specified in OMB Bulletin No. 06-03, including certain requirements referred to in the *Federal Financial Management Improvement Act of 1996* (FFMIA). We and the other auditors limited our tests of compliance to the provisions described in the preceding sentence, and we did not test compliance with all
