Subject: Re: Verizon as reference for State of OH RFP

Harry:

Attached is the completed form. Dave Kelly helped pull most of this together because of his firsthand knowledge of the PeopleSoft implementation at Verizon.

If you have any questions, please let me or Dave know.

Thanks,

Subject: Verizon as reference for State of OH RFP?

Ken,

Here is the detail that we need to complete for our RFP. Can you help us?

Attachment Ten: Proven Scalability...ERP (financial, procurement and HR components) experience with large organizations implemented for at least 18 months. Large means revenue/budget of at least \$50.0B and more than 65,000 employees.

If I can make it easier by calling you, please let me know.

Thank you very much!

ATTACHMENT TEN: PROVEN SCALABILITY

Proven Scalability. The offeror must demonstrate experience with large implementations of an ERP encompassing the Financial, Procurement, and Human Resource (HR) components that have been implemented for at least 18 months. Large implementations must include organizations equivalent in size to the state of Ohio, meaning greater than \$50 billion in annual revenues (for financial and procurement components) and more than 65,000 employees (for HR components). To demonstrate this experience, the offeror must include references from organizations that have completed the ERP implementations. **Duplicate the following table as needed for up to, but not more than, three references. If more than three references are provided, only the first three listed will be used for scoring.**
