Subject: Microsoft Settlement

To: DOJ

From: K. H. Adams, Jr., Oak Grove, Scottsville, Va. 24590, (804) 286-4939

Background: I am a retired employee of Verizon.

Comment: The proposed settlement with Microsoft is fully adequate. It is time for the DOJ to stop squandering its resources chasing Bill Gates, while terrorists roam free. I urge you to settle with Microsoft immediately, and get on with the war to make America secure.

Sincerely, K. H. Adams, Jr.
