Let's get this settlement under way NOW! The states that do not agree should be forced out of their suits by court actions because all they have in mind is cashing in at taxpayer's ultimate expense. You are urged to force these settlements because of an age old truism - Corporations can not pay taxes! They simply pass them along to the consumers in higher prices for the products they sell!TOM STEPHENSONGet more from the Web. FREE MSN Explorer download : <http://explorer.msn.com>
