Subject: Microsoft Settlement

To whom it may concern:

Please let this end once and for all,I believe that Microsoft has been very cooperative,etc. At least they didn't loose any records like Anderson or Enron.,or try to hid anything.Go after the real crooks like Enron,who left many middle class citizens without any money in their 401K,funny how bigshots could take money out but workers who save for retirement could not.I believe you have a much bigger problem than Microsoft and Bill Gates.
