Dear Mr. Ashcroft:

We are writing you today to express our opinion in regards to the Microsoft settlement that was reached in November. We feel that this settlement is fair and reasonable, and we are anxious to see this dispute resolved. We feel this settlement will serve in the best public interest.

This settlement was reached after extensive negotiations. Microsoft has agreed to all terms and conditions of this agreement, including disclosing information about certain internal interfaces in Windows and any protocols implemented in Windows. Microsoft has also agreed to license its Windows operating system products to the 20 largest computer makers on identical terms and conditions.

This settlement will benefit the economy, the industry, and consumers. Please support this settlement so our precious resources can be devoted to more productive causes. Thank you for your support.

Sincerely,

Emily & Elmer Hennigan
