**Subject:** Microsoft Settlement

To Whom it May Concern:

Pursuant to the Tunney Act, I am writing to comment on the proposed settlement of the United States vs. Microsoft antitrust case.

As a Small business owner in the computer technology field, I will keep this brief. Each day Microsoft goes with out checks in place to monitor the tactics they use, the harder it is for me to provide my customers with the best solution available.

In short, the proposed settlement is a bad idea

Sincerely,
