Dear Ms. Hesse:

I've been requested by Microsoft to send you a letter in support of their settlement, but I will not do that because I OPPOSE THE SETTLEMENT. Microsoft continues its predatory and unethical business practices unabated and obviously the Department of Justice has not gotten its message through to Mr. Gates yet. I think you should continue to take steps to curb Microsoft's rapacious and insidious monopolistic practices which are not only unfair restraint of trade but also extremely detrimental to the end consumer. Microsoft's programs act more like viruses than computer applications. Please continue attempting to put a stop to this monopoly.

Sincerely,

Mary A. Rocco
