Dear Judge Kollar-Kotally,

I object to the Proposed Final Judgment in the Microsoft case. There are several apparent flaws with in the final proposal that I just dont like. One the PFJ does not terminate the MS illegal monopoly. 2nd MS will be able to continue with its ant-competitive activities. 3rd MS will be allowed to partake in the fruits of its past violations. I dont see how such a settlement punishes Microsoft for breaking the anti-trust laws. Therefore I oppose a settlement- The Proposed Final Judgment.

Sincerely,
