Your Honor,

As a Silicon Valley resident, I must voice my objection to the proposed settlement in the Microsoft case. As a beneficiary of years of anti-trust violations, Microsoft is now being allowed to retain many billions of dollars of illegal profits. Furthermore, this proposed settlement does nothing to limit Microsoft's power and ability to continue its anti-competitive behavior. I feel we are being sold short by this proposed final judgment, and Microsoft emerges as the winner.

Respectfully,

Carl Hekkert
