Ms. Renata B. Hesse
(202) 307-1454
Department Of Justice

Dear Ms. Renata B. Hesse:

Microsoft is doing an excellent job. The lawsuit should never have been started. It was a total waste of taxpayer funds. There has been a settlement agreement. Hold to the agreement.

Sincerely,

Handwritten signature in black ink, appearing to read "Betty Brooks and Floyd E. Brooks". The signature is written in a cursive style with a long horizontal flourish extending to the right.

Floyd E. Brooks
