

This one features charging at no pre-set limit.

This one features paying your balance over time.

This one features earning mileage rewards on their airlines.

## This ONE features all that and more. Introducing World MasterCard.

Before, I took a wallet full of cards. Now it only takes one. With new World MasterCard you can charge at no pre-set spending limit and pay over time\* for **Total Financial Flexibility**. You can also earn free tickets on **Any Airline/No Blackouts**†.

You'll also enjoy **Unsurpassed Acceptance Worldwide**. A **Personal Concierge Service** that takes care of virtually any request, 24 hours a day. A **Personal Shopping Service** that can locate even hard to find items anywhere in the world. Plus, **Purchase Protection**, high levels of **Insurance Coverage**, leading-edge **Privacy and Security**, and much, much more.

World MasterCard combines all these features and benefits. Shouldn't World MasterCard be the one card you carry?

\*Subject to credit review and to card issuer's approval. Based on 3 months of active, on-time account history, payment activity, and payment record only. The amount of the outstanding balance that can carry and pay over time is determined by your issuing bank.  
†Airline tickets subject to availability. See card instructions only.
