Official Committee of Unsecured Creditors Committee Information Sheet

Purpose of Unsecured Creditors' Committees. To increase participation in the chapter 11 proceeding, section 1102 of the Bankruptcy Code requires that the United States Trustee appoint a committee of unsecured creditors (the "Committee") as soon as practicable after the order for relief has been entered. The Committee ordinarily consists of the persons, willing to serve, who hold the seven (7) largest unsecured claims of the kinds represented on such committee. The debtor has filed a list indicating that your claim may be among the largest unsecured claims against the debtor, and for that reason, you may be eligible to serve on the Committee. There must be at least three (3) unsecured creditors willing to serve in order to form the Committee.

Powers and Duties of Unsecured Creditors' Committees. Members of the Committee are fiduciaries who represent all unsecured creditors as a group without regard to the types of claims which individual unsecured creditors hold against the debtor. Section 1103 of the Bankruptcy Code provides that the Committee may consult with the debtor, investigate the debtor and its business operations and participate in the formulation of a plan of reorganization. The Committee may also perform such other services as are in the interests of the unsecured creditors whom it represents.

Employment of Professionals. Section 1103 of the Bankruptcy Code provides that the Committee may, subject to the bankruptcy court's approval, employ one or more attorneys, accountants or other professionals to represent or perform services for the Committee. The decision to employ particular professionals should occur at a scheduled meeting of the Committee where a majority of the Committee is present. All professionals retained by the Committee may be compensated from assets of the debtor's estate pursuant to section 330 of the Bankruptcy Code. Applications for the payment of professional fees may be monitored by the Office of the United States Trustee and are subject to the Court's approval. However, the Committee should carefully review all applications and not rely on the Court or the United States Trustee to discover and object to excessive professional fees or costs.

Other Matters. The Committee should elect a chairperson and may adopt bylaws. As a party in interest, the Committee may be heard on any issue in the bankruptcy proceeding. Federal Bankruptcy Rule 2002(i) requires that the Committee (or its authorized agent) receive all notices concerning motions and hearings in the bankruptcy proceeding.

In the event you are appointed to an official committee of creditors, the United States Trustee may require periodic certifications of your claims while the bankruptcy case is pending. Creditors wishing to serve as fiduciaries on any official committee are advised that they may not purchase, sell or otherwise trade in or transfer claims against the Debtor while they are committee members absent an order of the Court. By submitting the enclosed Questionnaire and accepting membership on an official committee of creditors, you agree to this prohibition. The United States Trustee reserves the right to take appropriate action, including removing a creditor from any committee, if the information provided in the Questionnaire is inaccurate, if the foregoing prohibition is violated, or for any other reason the United States Trustee believes is proper in the exercise of her discretion. You are hereby notified that the United States Trustee may share this information with the Securities and Exchange Commission if deemed appropriate.

Should you have any additional questions concerning the Committee or your membership on the Committee, please contact the Office of the United States Trustee.
