

TO APPLY

1. DEA is accepting applications and resumes from applicants that meet the following requirements:
 - A. One or more years of intelligence experience.
 - B. Highly technical state-of-the-art skills associated with computer engineering, systems engineering, computer science and intelligence mission systems.
 - C. Foreign language aptitude with proof of certification from an independent outside source with a composite score of 2.0 or greater in the areas of reading, writing and comprehension.

If you meet these requirements, please mail your application/resume and foreign language aptitude certification to the Drug Enforcement Administration, Intelligence Division, Attention: NCMS, 8701 Morrisette Drive, Springfield, Virginia 22152.

2. **For those who do not meet these requirements**, DEA will be issuing announcements by specific locations (Arlington, VA; Fairfax, VA; Chantilly, VA; Los Angeles, CA; New York, NY; San Francisco, CA; and other locations as necessary.) To apply, DEA Intelligence Research Specialist vacancy announcements are listed at www.usajobs.gov (search on “GS 0132” and “DEA” to locate the vacancies).
