ORDER DISMISSING PROCEEDINGS
(August 17, 1998)

The parties in the above-captioned cases have moved to dismiss these actions, because they have entered into Settlement Agreements that dispose of all the issues in these cases and have agreed to the dismissal of the actions. The parties have attached the Settlement Agreements to the Joint Motion to Dismiss.

The OCAHO Rules of Practice and Procedure provide that when parties or their authorized representatives enter into a proposed settlement agreement, they may submit to the Judge either a proposed agreement containing consent findings and a proposed decision and order or notify the Judge that the parties have reached a full settlement and have agreed to the dismissal of the action. 28 C.F.R. § 68.14(a) (1997).

In these cases, the parties have not submitted consent findings. However, the parties have reached full settlement and, as part of the settlements, Respondents have agreed that their requests for hearing are withdrawn. See Settlement Agreements ¶ 4. Therefore, pursuant to 28 C.F.R. § 68.14(a)(2), the Joint Motion to Dismiss is granted, and these cases are dismissed with prejudice.

ROBERT L. BARTON, JR.
ADMINISTRATIVE LAW JUDGE
