SUPPLEMENTARY INFORMATION:**Background**

The notice of July 26, 1999 (64 FR 40389-40390) applied to those aliens who filed an abbreviated NACARA motion to reopen by September 11, 1998, as provided in 63 FR 31890 (June 11, 1998). The notice was issued to clarify the deadline to submit an application for suspension of deportation or special rule cancellation of removal and supporting documentation to complete a NACARA motion to reopen. Initially, the Department established a February 8, 1999, deadline for eligible aliens to submit the application for suspension of deportation or special rule cancellation of removal and all the accompanying documentation in support of the NACARA motion to reopen. See 63 FR 31890, 31895 (June 11, 1998). In the

final NACARA motion to reopen rule, the Department extended the deadline to complete a NACARA motion to reopen to 150 days after the rule implementing section 203 of NACARA becomes effective. See 64 FR 13663 (March 22, 1999). The rule implementing section 203 of NACARA was published on May 21, 1999, and the effective date was June 21, 1999. The July 26, 1999 notice alerted those eligible aliens that the 150-day period to complete the NACARA motion to reopen had started to run.

Need for Correction

As published in the **Federal Register** on July 26, 1999 (64 FR 40389), the notice concerning submission of certain motions to reopen pertaining to suspension of deportation and cancellation of removal inadvertently did not calculate the actual ending date for submission of those motions.
