

## **Second Federal Register Notices Regarding Renewal of Credit Counseling and Debtor Education Applications:**

As required by the Office of Management and Budget and pursuant to the Paperwork Reduction Act of 1995, the U.S. Trustee Program has published in the Federal Register two additional Notices of Agency Information Collection Activities. The Notices pertain to the renewal of the form Instructions, Applications and related Appendices used by Nonprofit Budget and Credit Counseling Agencies and Providers of Personal Financial Management Instructional Courses who apply to become authorized agencies or providers
