## Program Description

### Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses that provide services to victims and hold offenders accountable.

### About this OVW Program

The Enhancing Investigation and Prosecution (EIP) Initiative is authorized by the Consolidated Appropriations Act, 2023, Pub. L. No. 117-328, 136 Stat. 4459, 4530-31 (2022). This initiative is designed to promote, and evaluate, effective policing and prosecution responses to domestic violence, dating violence, sexual assault, and stalking.

The EIP Initiative (CFDA #16.590) encourages law enforcement agencies and/or prosecutors' offices to expand and improve their capacity to effectively investigate and/or prosecute domestic violence, dating violence, sexual assault, and stalking, and in so doing, support victim safety and autonomy, hold offenders accountable, and promote agency trust within the surrounding community.

For additional information about OVW grant programs and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

### Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

### Purpose Areas

In FY 2024, funds under this program must be used for one or more of the following purposes:

1. To enhance law enforcement and prosecution responses to domestic violence, dating violence, sexual assault, and stalking as part of a coordinated community response;
2. To fund law enforcement officers, prosecutors, investigators, and victim assistants dedicated to handling cases involving domestic violence, dating violence, sexual assault, and stalking;
3. To support the identification, implementation, and evaluation of trauma-informed investigation and prosecution strategies;
4. To support policies, practices, and protocols designed to ensure that domestic violence, dating violence, sexual assault, and stalking are promptly and thoroughly investigated and appropriately charged and prosecuted, consistent with the Department of Justice's

2022 updated guidance on [Improving Law Enforcement Response to Sexual Assault and Domestic Violence by Identifying and Preventing Gender Bias](#);

5. To foster greater accountability, transparency, and building of community trust related to the investigation and prosecution of domestic violence, dating violence, sexual assault, and stalking;
6. To provide and support training for law enforcement officers and prosecutors who handle investigations related to domestic violence, dating violence, sexual assault, and stalking, including but not limited to providing strategies to build a case based on trauma-informed, victim-centered, and offender-focused practices;

**Note:** No more than 20 percent of an EIP Initiative award may be used to fund training and technical assistance activities.

7. To promote enhanced criminal justice data collection, tracking, use, and reporting regarding domestic violence, dating violence, sexual assault, and stalking.

### OVW Priority Areas

In FY 2024, OVW has four programmatic priorities. The priorities identified below are applicable to this program. Applicants are strongly encouraged, but not required, to address the two priority areas listed below. Applicants that state they are addressing a priority area and meet the criteria for that priority will be given special consideration:

1. Increase access to justice for all survivors of sexual assault, domestic violence, dating violence, and stalking, including through exploration of survivor-centered criminal justice system reform.

To receive special consideration under this priority, an applicant must meaningfully propose to address purpose areas 1, 2, and/or 5. Projects that meaningfully propose to implement this priority will address access to justice through implementing survivor centered approaches and/or strategies within the criminal justice system. During the application review process, OVW will assess whether applicants propose to meaningfully engage in these proposed project activities.

2. Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses.

To receive special consideration under this priority, applicants must allocate at least 25% of their proposed grant funded activities and budget expenses to addressing sexual assault committed by non-intimate partners. During the application review process, OVW will assess whether applicants propose to meaningfully engage in these proposed project activities.

### Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to avoid responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. OVW may support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program and do not compromise victim safety. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

## Out-of-Scope Activities

The activities listed below are out of the program scope and will not be funded under this program. See also the list of unallowable costs in the [Funding Restrictions](#) section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined by 28 C.F.R. § 46.102(d) as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. However, assessments conducted for internal improvement purposes only (see Limited Use of Funds below) may not be considered “research” as defined above. For information on distinguishing between research and assessments, see the [Solicitation Companion Guide](#).
2. Direct victim services. EIP Initiative funds are intended to support the work of law enforcement and/or prosecutors’ offices to expand and improve their capacity to effectively investigate and/or prosecute domestic violence, dating violence, sexual assault, and stalking. These funds cannot be used by victim services providers to support direct services to victims. The definition of a victim service provider can be found in the [Other Program Eligibility Requirements section](#) of this Solicitation.
3. Prevention activities. EIP Initiative funds may not be used for prevention activities.
4. Family violence. EIP Initiative funds may not be used to address child abuse or other family violence issues, such as violence perpetrated by a child against a parent or violence perpetrated by a sibling against another sibling.
5. Child abuse. EIP Initiative funds may not be used to investigate or prosecute child physical or sexual abuse cases. EIP Initiative funds may be used to investigate and prosecute cases involving victims ages 11 and older.
6. Sex offender registries. EIP Initiative funds may not be used to create sex offender registries.

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

## Limited Use of Funds

Grantees may use up to three percent of grant award funds to conduct an assessment for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the Solicitation Companion Guide to ensure that the activity does not qualify as human subjects research. The [Solicitation Companion Guide](#) also provides additional information on federal requirements related to research, assessments, and surveys.

## Activities Requiring Prior Approval

Recipients must receive prior approval before using grant funds to support surveys, regardless of the survey’s purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the [Solicitation Companion Guide](#) for more information).

## Federal Award Information

### Availability of Funds

All awards are subject to the availability of appropriated funds as well as any modifications or additional requirements imposed by law. There is no guarantee that funds will be available in the future. Depending on availability of funding and an applicant's merit, OVW may elect to make awards for a future fiscal year if an application is not selected under this solicitation.

### Type of Award

Awards will be made as grants.

### Award Period and Amount

The award period is 36 months. Budgets, including the total "estimated funding" on the SF-424, must reflect 36 months of project activity. OVW anticipates that the award period will start on October 1, 2024.

OVW estimates that it will make up to ten awards for an estimated total of \$5,000,000.

Awards under this program for FY 2024 will be made for up to \$500,000.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants before making an award or after an award is made but prior to access to funds.

### Types of Applications

In FY 2024, OVW will accept applications for this program from the following:

**New**: This is the first time awards have been made under this program.

### Program Requirements

Applicants that receive funding under this program will be required to engage in the following activities:

1. Participate in OVW training and technical assistance, including training about law enforcement and/or prosecutors' role in coordinated community responses to domestic violence, dating violence, sexual assault, and stalking and how to effectively serve underserved communities; New Grantee Orientation; and law enforcement and/or prosecution institutes.
2. Collect and report on performance indicators. (OVW will provide forms, instructions, training, and related tools on performance reporting).
3. Participate in an assessment or evaluation conducted by OVW.
4. Review the principles set forth in the Department of Justice's 2022 updated guidance on [Improving Law Enforcement Response to Sexual Assault and Domestic Violence by Identifying and Preventing Gender Bias](#), and, for law enforcement agencies, integrate these principles into policies, training, supervision, and accountability systems.

#### Limit on Number of Applications

OVW will consider only one application per organization for the same service area (i.e., the geographic area to be served). In addition, if an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted before the deadline.

### **Data Requested with Application**

Applicants must complete three questionnaires in JustGrants: the Pre-Award Risk Assessment, the Applicant Entity Questionnaire, and the Enhancing Investigations and Prosecution Summary Data Sheet. These questionnaires are not scored. Applicants should click on the questionnaire name in JustGrants to access and complete each questionnaire. Although the questionnaires must be completed in JustGrants, the questions can be viewed in Appendices B, C, and D of this solicitation.

### **Proposal Narrative**

The Proposal Narrative may not exceed 20 pages, double-spaced. Reviewers will not read beyond this page limit. The Proposal Narrative must include the three sections below. The total point value for the proposal narrative section is 85 points. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

7. Describe how the project activities will strengthen efforts to address non-intimate partner sexual assault, if applicable to the project proposed.
8. Measuring Success: Describe a performance metric(s) connected to investigating and/or prosecuting domestic violence, dating violence, sexual assault, and stalking that the project will improve upon. Provide a baseline measure of the performance metric(s) at the time of application submission and describe the plan to collect and analyze information related to the performance metric over the 36 months of the award period. Examples include but are not limited to:
  - Number and/or percentage of cases accepted for prosecution.
  - Average case processing time from initial report to arrest to prosecution resolution.
  - Number/percentage of calls/reports with correct final call disposition and correct classification of charges.
  - Number/percentage of calls that properly follow procedure including completion of supplementary reports and/or risk assessment protocols.

### Who Will Implement the Proposal (15 points)

This section must:

1. Identify the key people and organizations, including project partner(s) involved in the proposed project.
2. Describe the roles and responsibilities of the law enforcement agency or prosecutor's office, and project partner(s), in relation to the project activities detailed in the What Will Be Done section.
3. Demonstrate that the people and organizations identified have the capacity to address the stated need and can successfully implement the proposed project activities, to include who will provide training.
4. Provide the organizational chart for the law enforcement agency or prosecutor's office the application proposes to support. The organizational chart will not count against the application page limit.

### **Budget and Associated Documentation**

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below, under each heading. OVW strongly encourages using a spreadsheet (e.g., Excel, Numbers, etc.) for the budget attachments. The budget worksheet and budget narrative are worth a total of **10 points** and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

### **Budget Worksheet and Budget Narrative (attachment)**

Applicants must upload in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the Budget Information and Sample Budget Narrative in [Appendix A](#) and the [Creating a Budget](#) webinar on the OVW website. Keep in mind that budgetary requirements vary among programs. Budgets should be reasonable and based on the resources needed to implement their projects in their specific geographic location.

### Award Period and Amounts

The budget must:

1. Present a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Fairly and reasonably compensate all project partners for their full level of effort, unless otherwise stated in the MOU. For more information on compensating project partners, see the Budget Information and Sample Budget Narrative in [Appendix A](#).
3. Include sufficient funds to provide language access or describe other resources available to the applicant to ensure meaningful access for persons with limited English proficiency. See Accessibility under the [Federal Award Administration Information](#) section of this solicitation for more information.
4. Include sufficient funds to provide access for people with disabilities or who are Deaf/hard of hearing, or describe other resources available to the applicant to ensure

meaningful access for such people. See Accessibility under the [Federal Award Administration Information](#) section of this solicitation for more information.

5. Include funds to attend OVW-sponsored TTA in the amount of \$20,000 for applicants located in the 48 contiguous states and \$25,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
6. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner; a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the Budget Information and Sample Budget Narrative in [Appendix A](#) and the [Solicitation Companion Guide](#) on the OVW website.
7. Applicants may allocate up to \$50,000 to compensate victim service providers in their budgets to support related project activities including but not limited to establishing or enhancing referral policies/protocols, assisting with training efforts, developing, or updating communication guidelines, and other collaborative efforts outside of direct services to victims.
8. If the project proposed seeks to strengthen efforts to address non-intimate partner sexual assault, the budget must allocate funding for the sexual assault project activities to correspond with the project activities described in the What Will Be Done section within the Project Narrative.

**Note:** No more than 20% of funding can be allocated to training and technical assistance activities.

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the Budget Information and Sample Budget Narrative in [Appendix A](#).

### **Funding Restrictions**

The following information is provided to help applicants develop an application and budget consistent with program requirements.

#### Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets:

1. Lobbying.

2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

#### Food and Beverage/Costs for Refreshments and Meals

Recipients **must** receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the meeting or conference. Examples include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Failure to serve food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative, including relevant details about the applicant's community, such as a rural or remote location. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

#### Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

#### **Pre-Award Costs**

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

#### **Indirect Cost Rate Agreement (if applicable)**

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not have a current negotiated (including provisional) indirect cost rate, except for those non-federal entities described in [Appendix VII to Part 200 paragraph \(d\)\(1\)\(B\)](#), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC).

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 for more information.

## Memorandum of Understanding and Supporting Documents

### Memorandum of Understanding (MOU)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the allocation of roles and responsibilities between two or more parties, and it must be included as an attachment to the application in JustGrants. The MOU is worth a total of **5 points**. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.332). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU **must** be a single document and **must** be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. OVW will accept electronic signatures. MOUs missing signatures may result in a point deduction or **removal from consideration, particularly if the MOU is missing the signature of a required partner**. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU. A sample [MOU](#) is available on the OVW website.

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship between those partners, including when and under what circumstances the collaborative relationship began and when each partner entered into the relationship.
2. Describe the roles and responsibilities each partner will assume to ensure the success of the proposed project.
3. Demonstrate how the proposed partnership can address the needs of the traditionally underserved population(s) identified in the Purpose of the Proposal section.
4. State that each project partner has reviewed the budget, is aware of the total amount being requested, and is being equitably compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.

**Note:** Tribal law enforcement agencies or Tribal prosecutors' offices (or Tribal governments applying on behalf of a Tribal law enforcement agency or prosecutor's office) unable to submit a signed MOU may submit a Letter of Commitment from each partnering organization(s). If funded, the Tribal applicant will be required to submit a signed MOU as a deliverable post award.

## Additional Application Components

The following components will not be scored but must be included with the application. Failure to do so may result in the application being removed from consideration. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

## Letter of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample [Letter of Nonsupplanting](#) is available on the OVW website.

### **Confidentiality Notice Form**

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

### **Summary of Other Federal Funding**

Applicants must disclose whether they have any of the following: 1) an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 2) a subaward under an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 3) a pending OVW application as either the lead applicant/potential recipient or as a partner/potential subrecipient; 4) a federal award to do the same or similar work; or 5) a pending federal application to do the same or similar work.

Applicants will provide this information by completing the Summary of Other Federal Funding form in the Disclosures and Assurances section of JustGrants during the application submission process.

### **Disclosures and Assurances**

All applicants must review, complete, and submit all disclosures, assurances, and certifications as described below.

#### **Disclosure of Lobbying Activities**

Applicants must complete and submit the *Disclosure of Lobbying Activities* (SF-LLL) form in Grants.gov before beginning the application process in JustGrants.

#### **DOJ Certified Standard Assurances**

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants.

#### **DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements**

Applicants must read and acknowledge these DOJ certifications in JustGrants.

## **Prior to Application Submission**

### **Unique Entity Identifier (UEI) and System for Award Management (SAM)**

Entities applying for the first time must register with the following systems:

- SAM.gov: Registration with [SAM.gov](#) includes receiving a UEI and takes an average of **2 to 3 weeks**.
- Grants.gov: Registration with [Grants.gov](#) takes an average of **1 week**.

- JustGrants: Registration with JustGrants needs to be completed **ONLY** after successful submission of Step 1 of the application as described below under [How to Apply](#).

**Note:** Registration time frames are estimates. Applicants experiencing registration challenges should refer to the *OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes* section below for guidance on how to proceed.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the applicant's responsibility to ensure that they are registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process, or ensure that all accounts are active and up to date, by **April 9, 2024. Failure to do so may result in missing the application deadline and therefore not being considered for funding.**

Applicants experiencing technical difficulties with SAM should go to [https://www.fsd.gov/qsafsd\\_sp](https://www.fsd.gov/qsafsd_sp).

Applicants experiencing technical difficulties with Grants.gov should contact [support@grants.gov](mailto:support@grants.gov).

Applicants experiencing technical difficulties with JustGrants should contact [OVW.JustGrantsSupport@usdoj.gov](mailto:OVW.JustGrantsSupport@usdoj.gov).

## How to Apply

### Submission Dates and Times

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: The Grants.Gov deadline is 11:59 pm ET on April 30, 2024 and the JustGrants application deadline is 8:59 pm ET on May 2, 2024** Applicants experiencing technical difficulties during the application submission process should refer to the *OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes* below for guidance on how to proceed.

**OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the application deadline and therefore not being considered for funding.**

**OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the *OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster* below.**

### Submission Information and Other Submission Requirements

Applications must be submitted to OVW through a two-step process that begins in Grants.gov and is completed in JustGrants:

**Step 1:** The applicant must submit by the Grants.gov deadline (provided above) the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov. To view the forms prior to completing them in

Grants.gov, applicants can go to the Package tab under the funding opportunity that they're applying for and select Preview. The Preview then provides links to the forms.

**Step 2:** The applicant must then submit the full application, including attachments, in JustGrants at <https://justicegrants.usdoj.gov/> by the JustGrants application deadline (provided above). OVW encourages applicants to review the [JustGrants](#) website for more information, resources, and training.

**Tip:** JustGrants functions better using a PC with Chrome or Edge web browser.

#### OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes

Technical difficulties are issues that are beyond the applicant's control. OVW can confirm when each registration and/or submission action began.

##### *Technical difficulties with SAM or Grants.gov*

1. Contact SAM or Grants.gov support as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Before the Grants.gov deadline, notify OVW, via email at [OVW.ICJR@usdoj.gov](mailto:OVW.ICJR@usdoj.gov), stating the applicant is experiencing technical difficulties with SAM or Grants.gov. The applicant should provide regular updates to this program via email at [OVW.ICJR@usdoj.gov](mailto:OVW.ICJR@usdoj.gov).
4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify OVW via email at [OVW.ICJR@usdoj.gov](mailto:OVW.ICJR@usdoj.gov) before the Grants.gov deadline.
5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant **must** email the complete application (SF-LLL, SF-424, Proposal Narrative, Budget and Budget Narrative, MOU and all documentation confirming the technical difficulty to OVW at [OVW.ICJR@usdoj.gov](mailto:OVW.ICJR@usdoj.gov) by **8:59 p.m. E.T. on May 2, 2024**.

##### *Technical difficulties while applying in JustGrants*

1. Contact OVW JustGrants Support at [OVW.JustGrantsSupport@usdoj.gov](mailto:OVW.JustGrantsSupport@usdoj.gov) or 866-655-4482 as soon as the applicant is aware of a problem. OVW JustGrants Support is a separate Help Desk from OJP and COPS and is dedicated to OVW applicants.
2. Maintain documentation of all communication with OVW JustGrants Support.
3. Actively work with OVW JustGrants Support to resolve the technical difficulty.
4. Contact OVW, via email at [OVW.ICJR@usdoj.gov](mailto:OVW.ICJR@usdoj.gov), prior to the JustGrants deadline (**8:59 p.m. E.T. on May 2, 2024**). If an applicant must submit their application via email due to a technical difficulty, they must do so by the JustGrants application deadline, but **no earlier than 4 hours prior to the deadline**. The email must include the following:
  - A detailed description of the technical difficulty.
  - The contact information (name, telephone, and email) for the person making the request.
  - The applicant's UEI number.
  - JustGrants application numbers and User Support tracking numbers.
  - The complete application (SF-LLL, SF-424, Proposal Narrative, Budget and Budget Narrative, MOU).

It is not guaranteed that applications submitted via email will be considered for funding, even if the email is received before the JustGrants application deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants application deadline. Applicants may be asked to coordinate with OVW to submit their application in Grants.gov and JustGrants later.

#### OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

Cases of severe inclement weather or natural or man-made disaster are the only circumstances under which OVW may accept applications after **8:59 pm ET on May 2, 2024**. The information below provides the process applicants must follow in such a circumstance.

1. Contact the ICJR Program at [OVW.ICJR@usdoj.gov](mailto:OVW.ICJR@usdoj.gov) as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners' ability to submit the application by the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for submission at the time the applicant notifies OVW, the application should be included with the email.
2. Applicants impacted by severe weather or a natural or man-made disaster occurring on or around the deadline must contact OVW within 48 hours after the deadline or as soon as communications are restored.

**Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.**

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

## Application Review Information

### Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Enhancing Investigations and Prosecution Initiative, scoring will be as follows:

1. Proposal narrative: 85 points, of which:
  - A. Purpose of the proposal: 25 points.
  - B. What will be done: 45 points.
  - C. Who will implement the proposal: 15 points.
2. Budget worksheet and budget narrative: 10 points.
3. MOU: 5 points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

## **Review and Selection Process**

Applications will be subject to a peer review and a programmatic review.

### Peer Review

OVW will subject all eligible, complete, and timely applications to a [peer review process](#) that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

OVW peer reviewers may include victim advocates, judges, prosecutors, law enforcement officers, legal professionals, and others with expertise in areas such as tribal communities, colleges and universities, rural areas, urban areas, working with people with disabilities or older adults, and providing services to victims, including transitional housing and services provided by culturally specific organizations and the faith community. While some peer reviewers are expert consultants on violence against women issues, the vast majority are current practitioners or recent retirees from the professions mentioned above. To ensure that applications are reviewed by people with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking, OVW does not use professional peer reviewers.

### Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 10 points).
2. Out-of-scope and unallowable activities (deduct up to 25 points).
3. Formatting and Technical Requirements (deduct up to 5 points).

An application that is substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM. Applicants may review and comment on information about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in SAM in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may consider factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

### High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

## **Federal Award Administration Information**

### **Federal Award Notices**

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

### **Administrative, National Policy, and Other Legal Requirements**

#### Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled "Post-Award Requirements for All Federal Award Recipients."

[Terms and conditions](#) for OVW awards are available on the OVW website. These terms are subject to change prior to the issuance of the awards.

#### Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

#### Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency have meaningful access to recipients' programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to people with disabilities, including those with physical or cognitive disabilities, as well as people who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

## General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Performance report forms will be provided to all award recipients. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in SAM, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

## Other Information

### Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, easily understood, and not unnecessarily burdensome. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

**Note: Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.**

### Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. If an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant's responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).

### **Budget Information and Sample Budget Narrative**

## Budget Information and Sample Budget Narrative

### Budget Information

*Cost information for selected items is provided below to assist applicants in preparing their budgets. Additional information is available in the [DOJ Financial Guide](#).*

#### Consultants/Contracts

Compensation for services by an individual consultant must be reasonable and consistent with that paid for similar services in the marketplace. Applicants must consider the type of services provided and the individual's experience and expertise when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates over \$650 per day. Please note that the rate does not need to be as high as \$650 for all consultants. If a project is selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants must also include all costs associated with consultants or contractors in the "Procurement Contracts" category, including travel-related costs. Applicants should not reflect these costs in the Personnel or Travel categories.

Applicants must follow the same established procurement policies with federal funds as with non-federal funds. All procurement transactions, including the awarding of consultant contracts, must be conducted in a manner that provides maximum open, free, and fair competition, and must follow 2 C.F.R. §§ 200.317-200.327. All sole-source procurements (not awarded competitively) over \$250,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of subrecipients.

#### MOU Partner/Subrecipient versus Contractor Determination

Memorandum of Understanding (MOU) project partners are generally considered subrecipients for time spent working on program objectives. The following MOU project partner responsibilities are consistent with the characteristics in 2 C.F.R. § 200.331 that support their classification as subrecipients:

- they are using federal funds to carry out a program for a public purpose specified in the authorizing statute;
- they are responsible for adherence to program requirements;
- they are responsible for programmatic decision-making;
- their performance is measured by meeting program objectives; and
- in some cases, they may be responsible for determining who is eligible to receive assistance (services) under the grant award.

In contrast, a contractor:

- provides goods and services within normal business operations;
- provides similar good and services to many different purchasers;
- normally operates in a competitive environment;
- provides goods and services that are ancillary to the operation of the program; and
- provides goods or services to which programmatic requirements generally do not apply.

For additional information on determining subrecipient or contractor designation, please refer to [2 C.F.R. § 200.331](#), as well as the Solicitation Companion Guide, available at <https://www.justice.gov/ovw/resources-applicants>.

### Compensation for Partners

In developing budgets, applicants should compensate all project partners for their participation in project-related activities, including but not limited to compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault services programs, and state and tribal domestic violence and/or sexual assault coalitions. Partners are generally considered subrecipients and are reimbursed for their actual costs incurred for the project rather than on a fee for service basis. If a partner is a state or local governmental agency and the partnership duties are performed within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner: a) offers this arrangement; and b) an explanation of this arrangement is included in the application (typically in the MOU).

### Training and Technical Assistance/Travel

The program solicitation specifies the amount of grant funds that must be budgeted for training and technical assistance. These funds must **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. These funds are to be used to support travel by all project partners, including nonprofit, nongovernmental service providers, to technical assistance events. This may include travel by individuals whose positions are not grant-funded if their roles and responsibilities are linked to the purpose of the project. If the technical assistance funds will be shared between the applicant and any project partners, the applicant's employees' travel costs must be listed in the "Travel" category in the budget, and partners' travel must be in the "Subawards" category. Label both costs as "OVW Technical Assistance" and ensure they total to the full required amount. Do not include registration fees, as OVW technical assistance is free for grantees.

If applicants are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to attend, they can budget expenses over the required amount.

### Rent

Rental costs are generally allowable under OVW programs. Applicants must list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental facility. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case, only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable. The applicant must state in the budget narrative whether they own the space that will be rented. Refer to the following document for more information on how to appropriately allocate and break down the cost of rent in the budget: Cost Allocation Information, available at <https://www.justice.gov/ovw/resources-applicants>.

### Audit Costs

Costs for audits not required or performed in accordance with 2 C.F.R. Part 200 Subpart F – Audit Requirements are unallowable. If the applicant agency did not meet the applicable expenditure threshold (see 2 C.F.R. § 200.501) during the organization's fiscal year, they may not charge the cost of any audit performed to the grant.

### Indirect Costs

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not

have a current negotiated (including provisional) indirect cost rate, except for those non-Federal entities described in Appendix VII to Part 200 paragraph (d)(1)(B), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC). Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 for more information. Applicants may also choose to waive indirect costs.

#### Purchase and/or Lease of Vehicles

The purchase and lease of vehicles are prohibited under most OVW grant programs. However, some programs allow for purchasing vehicles on a case-by-case basis. Refer to the program solicitation to determine whether vehicles can be purchased or leased. A lease/purchase analysis must be submitted with the application if requesting a vehicle.

#### Non-Federal contributions

Any non-federal contributions can be discussed in the Proposal Narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

If the applicant voluntarily decides to provide matching funds through the use of in-kind contributions and includes this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide these mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to OVW to close out the grant award.

#### Cost Allocations

Costs for shared items, those not used solely for the award, should be equitably distributed to the funding sources that receive a benefit from the items. For example, when budgeting for general office supplies, it is important to note that the full cost cannot be allocated to the project. Instead, an allocation method should be used to share the cost among all staff who use the supplies. Refer to the following document for information on allocating shared costs in the budget: Cost Allocation Information, available at <https://www.justice.gov/ovw/resources-applicants>.

#### Accessibility

The program solicitation requires that the applicant include sufficient funds to provide language access or describe other resources available to the applicant to ensure meaningful access for persons with limited English proficiency, including by offering translation and interpretation services, and to provide access for people with disabilities or who are Deaf/hard of hearing.

Determining how much to budget for accessibility requires that recipients analyze the following:

- Available data about the local population to understand the language and accessibility needs in their service area;
- Historical data on screening and serving individuals who are LEP, Deaf or Hard of Hearing, or disabled; and
- Costs or documented estimates of language and other accessibility services and modifications in the service area. For resources and assistance in this process, visit <https://www.justice.gov/atj> and <https://www.lep.gov/>.

Recipients should make every effort to use these funds for their budgeted purpose of providing accessibility, and not reallocate them for other purposes later in the project.

## Sample Budget Narrative

**Purpose:** The Sample Budget Narrative may be used to assist with preparing the budget and narrative. Applicants may use this form or the format of their choice (plain sheets, Excel document, the applicant's own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to the applicant's project may be deleted.

**Note:** The following budget is an example intended to assist applicants in preparing their budgets. The sample expenses may not fit the purposes or activities of this particular grant program.

**A. Personnel** – List each position by title and employee name, if available. Show the annual salary rate and the percentage of time devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator	\$65,000 x 50% x 3 years	\$97,500
Bilingual Shelter Manager	\$70,000 x 100% x 3 years	\$210,000
Administrative Assistant	\$45,000 x 10% x 3 years	\$13,500

Sample narrative: The Program Coordinator will dedicate 50% of their time to the project by coordinating and organizing regular council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Bilingual Shelter Manager will dedicate 100% of their time to the project by providing direct client assistance, coordinating services and case management for clients, and managing the temporary shelter activities.

The Administrative Assistant for the project will spend 10% of their time on the project, providing administrative and clerical support for activities directly related to this project.

**TOTAL PERSONNEL:     \$ 321,000**

**B. Fringe Benefits** – Fringe benefits must be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker's Compensation, and Unemployment Compensation.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
<b>Program Coordinator</b>		
Employer's FICA	\$97,500 x 7.65%	\$ 7,459
Health Insurance	\$4,800/year x 50% x 3 years	\$ 7,200

Worker's Compensation	\$97,500 x 1.00%	\$ 975
Unemployment Compensation	\$97,500 x 0.50%	\$ 488

**Bilingual Shelter Manager**

Employer's FICA	\$210,000 x 7.65%	\$16,065
Health Insurance	\$4,800/year x 100% x 3 years	\$14,400
Worker's Compensation	\$210,000 x 1.00%	\$ 2,100
Unemployment Compensation	\$210,000 x 0.50%	\$ 1,050

**Administrative Assistant**

Employer's FICA	\$ 13,500 x 7.65%	\$ 1,033
Health Insurance	\$4,800/year x 10% x 3 years	\$ 1,440
Worker's Compensation	\$ 13,500 x 1.00%	\$ 135
Unemployment Compensation	\$ 13,500 x 0.50%	\$ 68

Sample Narrative: We request fringe benefits for the Program Coordinator, Bilingual Shelter Manager, and Administrative Assistant. Each employee's share of Health Insurance cost is prorated based on their projected time on the project.

**TOTAL FRINGE BENEFITS: \$ 52,413**

**C. Travel** – Project staff travel expenses should be itemized by purpose (e.g., training, field interviews, advisory group meeting, etc.) and include the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X per diem). For training projects, travel and meals for trainees should be listed separately. Show the number of trainees and unit costs involved. Identify the location of travel, if known. Indicate source of travel policies applied, either the applicant's policy or Federal Travel Regulations.

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
OVW-Mandated Training and Technical Assistance	TBD	TBD	TBD	\$12,000
Local Program Mileage	XYZ County		150 miles/month x \$0.655/mile x 36 months	\$ 3,537

Sample narrative: According to the requirements in the solicitation for this program, \$12,000 out of the total \$20,000 in OVW mandated technical assistance and training funds has been allocated to cover the travel cost for staff. The remaining amount of \$8,000 has been allocated for partner travel and can be found in Section G of this form. The exact locations of the trainings are currently unknown. However, travel estimates have been made using our formal written travel policy.

It is expected that the Program Coordinator will use a privately owned vehicle for local program mileage when traveling between the program shelter, main office, and all partner organizations. The rate for mileage reimbursement is calculated based on the current GSA Mileage

Reimbursement Rate of \$0.655/mile and is estimated to be around 150 miles per month for a period of 36 months.

**TOTAL TRAVEL:        \$ 15,537**

**D. Equipment** – List tangible personal property with a useful life of more than one year that needs to be purchased to support the project. It is important to follow the applicant's own capitalization policy for equipment classification. For high-cost items and information technology systems, applicants should perform an analysis (and attach it to the application) that compares the cost of purchasing versus leasing equipment items, to determine the most economical approach. Rented or leased equipment items should be listed in the "Procurement Contracts" category. Describe in the narrative how the equipment is necessary for the success of the project.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
(2) Video Cameras	\$1,500/camera x 2 cameras	\$ 3,000

Sample narrative: The portable video cameras and tripod package will be used during the interviews of alleged offenders, as well as to record witness testimony in preparation for trial in cases of domestic violence, dating violence, sexual assault, and stalking. Our capitalization threshold is \$1,000, so these items are classified as Equipment.

**TOTAL EQUIPMENT:   \$ 3,000**

**E. Supplies** – List items by type (office supplies, postage, training materials, copying paper, and other expendable items such as books, thumb drives, and flash drives) and show the basis for computation. Generally, supplies include any expendable or consumable materials that are used during the project period that are not equipment.

<u>Supply Items</u>	<u>Computation</u>	<u>Cost</u>
Office Supplies (paper, printer, toner, pens, etc.)	\$250/month x 53% x 36 months	\$4,770
Postage	\$ 100/month x 53% x 36 months	\$1,908
Program Supplies	\$ 50/month x 36 months	\$1,800
75 Client Assistance Kits	\$ 25/kit x 75 kits	\$1,875

Sample narrative: Office supplies and postage are needed for the general operation of the program and are shared amongst all office staff. The FTE allocation rate for shared costs incurred by all staff in this budget is 53% (based on total FTEs in the office is 3FTEs, and total FTEs in this budget is 1.6FTEs, so  $1.6 / 3 = 0.53$ , or 53%). Monthly costs for Office Supplies at \$250/month and Postage at \$100/month are estimated based on historical data. Charges to the grant will be based on the actual supplies purchased and actual percentage of staff time worked on the project (not budgeted amounts).

Program Supplies are estimated at a cost of \$50/month, based on historical data. The program supplies will be used for direct program activities such as art supplies and educational handouts/brochures for healing circles and group meetings for survivors.

The Client Assistance Kits will be provided to clients who receive services for domestic violence, dating violence, sexual assault, and stalking. These kits will contain toiletries and other personal hygiene products. We estimate the need for 75 kits, and the cost is based on similar kits provided by other programs.

**TOTAL SUPPLIES:     \$10,353**

**F. Construction** – As a rule, construction costs are not allowable. In some cases, minor repairs or renovations may be allowable. Consult with OVW before budgeting funds in this category.

<u>Purpose</u>	<u>Description of Work</u>	<u>Cost</u>
<b>TOTAL CONSTRUCTION:</b>		<b><u>\$ 0</u></b>

**G. Subawards (subgrants):** Describe project activities for which subrecipients/MOU partners will receive compensation under the award, including services for clients. Include any compensation for partner/subrecipient travel in this section as well.

<u>Subrecipient Name</u>	<u>Computation</u>	<u>Cost</u>
<b>XYZ Survivor Services Organization</b>		
Advocate	\$40,000 per year x .25 FTE x 3 years	\$30,000
Advocate	Benefits x 28% of FTE salary	\$ 8,400
OVW-Mandated Training and Technical Assistance	Location and cost TBD	\$ 4,000
<b>Subtotal XYZ Survivor Services Organization Subaward</b>		<b>\$42,400</b>

Sample narrative: The MOU partner XYZ Survivor Services Organization will offer advocacy services, such as safety planning and court accompaniment services. To cover the cost of travel for their staff, \$4,000 of the required \$20,000 in OVW mandated technical assistance and training funds has been allocated, in line with the budget requirements set forth in the solicitation. However, the training session locations are currently unknown. Travel estimates are based on the subrecipient's formal written travel policy.

<b>123 Housing Provider</b>		
Permanent housing advocate	\$40,000 per year x .10 FTE x 3 years	\$12,000
Permanent housing advocate	Benefits x 28% of FTE salary	\$ 3,360
Rent subsidies	\$150/month x 36 months x 15 clients/families	\$81,000
OVW-Mandated Training and Technical Assistance	Location and cost TBD	\$ 4,000
<b>Subtotal 123 Housing Provider Subaward</b>		<b>\$100,360</b>

Sample narrative: The MOU partner, 123 Housing Provider, will provide rent subsidies for clients and their dependents, permanent housing placement services, and advocacy. The rent subsidy rates are based on our experience with available community housing. Out of the required \$20,000 for OVW mandated technical assistance and training funds, \$4,000 has been allocated to cover the cost of travel for partner staff. Travel estimates are based on the subrecipient's formal written travel policy and training locations are currently unknown.

**TOTAL SUBAWARDS: \$142,760**

**H: Procurement Contracts** – Applicants should follow their documented procurement procedures that comply with the procurement standards in the Uniform Guidance at 2 C.F.R. §§ 200.317-200.327 or the Federal Acquisition Regulation.

**Consultant Fees:** For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. The actual rate for each consultant should be evaluated on a case-by-case basis, consistent with fair market value, and equal to the individual's experience, education, and compensation they receive for providing similar services in the marketplace. Consultant fees over \$650 per day (for an 8-hour day) or \$81.25 per hour require additional justification and prior approval from OVW.

<u>Name of Consultant</u>	<u>Service Provided</u>	<u>Computation</u>	<u>Cost</u>
Consultant/Trainer	Sexual Assault Training	\$575/day x 3 days	\$ 1,725

Sample narrative: A Consultant/Trainer will provide a three-day on-site training (at 8 hours per day) on sexual assault and related issues to law enforcement, prosecution, court personnel, and medical and social services personnel. The training will focus on addressing cultural needs of clients who experience sexual assault, domestic violence, dating violence, and stalking.

**Subtotal Consultant Fees: \$ 1,725**

**Consultant Travel:** List all expenses to be paid from the grant to the individual consultant in addition to their fees (i.e., travel, meals, lodging etc.).

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
Delivery of Sexual Assault Training	Town of XYZ	Airfare	\$500 (avg.) x 1 person x 1 trip	\$ 500
		Lodging	\$ 75 (avg.)/night x 2 nights	\$ 150
		Per diem	\$ 45 (avg.)/day x 3 days	\$ 135

**Subtotal Consultant Travel: \$ 785**

Sample narrative: Funds are allocated to pay for the Consultant/Trainer to travel to provide sexual assault training.

**Subtotal Consultants: \$ 2,510**

**Contracts:** Provide a clear description of the product or services that will be acquired through the contract, along with an estimated cost. All procurement transactions must be conducted in a manner that ensures full and open competition and adheres to the standards in 2 C.F.R. §§ 200.317-200.327. A separate justification must be provided for sole source (non-competitive) contracts in excess of \$250,000.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
Therapist	\$85/hr. x 10 hrs./month x 36 months	\$30,600
Cell Phone Service	\$75/month x 36 months	\$ 2,700
Copier and Printer Lease	\$262/month x 53% x 36 months	\$ 5,000
Telephonic Interpretation	\$3.95/min. x 300 min. x 3 years	\$3,555
In-person Interpreter – Spanish	\$100/hour x 20 hours x 3 years	\$6,000
In-person Interpreter – non-Spanish	\$125/hour x 10 hours x 3 years	\$3,750
Translation – Spanish	\$25/page x 20 pages x 3 years	\$1,500
Translation – non-Spanish	\$25/page x 14 pages x 3 years	\$1,050
Sign Language Interpretation	\$95/hour x 20 hours x 3 years	\$5,700
CART Services	\$65/hour x 8 hours x 3 years	\$1,560
<b>Subtotal Contracts:</b>		<b><u>\$ 61,415</u></b>

Sample narrative: The Therapist will be compensated at a rate of \$85/hour, consistent with the therapist's normal rate for providing this service in the marketplace. This contracted position will provide individual counseling sessions to clients on an as-needed basis and facilitate the group healing sessions once per week for 2 hours. A total of 10 hours of service per month is estimated.

The Bilingual Shelter Manager will need a cell phone to ensure 24 hours/day communication to provide emergency services and transportation to clients. This position is funded 100% through the application, therefore 100% of this cost is budgeted.

Equipment to be rented and/or leased includes the copier and printer. The copier and printer costs are estimated based on historical costs and allocated using an FTE allocation method (see allocation breakdown in Supplies Category).

The most common language in the local service area is Spanish, followed by Mandarin Chinese and Tagalog. Spanish language interpreters in applicant's area charge approximately \$100 per hour, and Mandarin and Tagalog interpreters charge approximately \$125 per hour. We estimate the number of hours of interpretation based on previous years plus an anticipated 10% increase during the project period. (We also employ a Spanish-English bilingual Shelter Manager, who assists with Spanish language interpretation.)

Translations in our service area cost approximately \$25 per page. We plan to have the following documents translated into Spanish during the project period: intake form (3 pages),

confidentiality policy (1 page), house rules (2 pages), non-discrimination notice and complaint forms (3 pages), pamphlet on domestic violence (5 pages), pamphlet on sexual assault (5 pages), Power and Control Wheel (1 page). We plan to have the following documents translated into Mandarin and Tagalog: intake form (3 pages X 2), confidentiality policy (1 page X 2), non-discrimination notice and complaint forms (3 pages X 2).

Qualified sign language interpreters charge approximately \$95 per hour, and we anticipate using interpreters approximately 20 hours per year, based on past use and allowing for a 5% increase in usage over past years. We will host 1 day-long training session each year and anticipate providing Communication Access Realtime Translation services at each session.

**TOTAL PROCUREMENT CONTRACTS:                    \$ 63,925**

**I. Other Costs** – List items (e.g., rent, reproduction, telephone, janitorial or security services, and investigative or confidential funds) by each type of cost and the basis of the computation. For example, provide the square footage and the cost per square foot for rent, and provide a monthly rental cost and how many months to rent.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
Bus Vouchers	\$15/client x 10/month x 36 months	\$ 5,400
Crisis Hotline	\$ 75/month x 36 months	\$ 2,700
Rent	\$1.50/sq. foot x 1,000 sq. feet x 36 months	\$54,000
Utilities	\$200/month x 36 months	\$ 7,200
Housing Assistance	\$500/family x 12 families/year x 3 years	\$18,000

Sample narrative: Bus Vouchers are estimated at a cost of \$15 per client to attend therapy or group healing sessions and we project distributing 10 per month on an as-needed basis. Vouchers are kept in a locked safe, inventoried by the Program Coordinator, and require a signature for distribution by the Shelter Manager.

Clients in remote areas often lack access to long-distance service providers, and contacting the program office can be a long-distance call for many of them. The project will maintain an 800 hotline for clients, which will be staffed daily by volunteers. The cost budgeted is for the fee associate with the use of the 800 number.

The Client Services Program rents a safe house located within the community. The house is used to provide temporary housing to clients who experience domestic violence and their minor children. The rent is consistent with the fair market rate for similar properties in the local community. This is a direct cost to the program and is used solely for the purpose of this program, therefore the cost is not allocated.

The cost of utilities (i.e., gas, electric, and water service) for the Client Services Program safe house averages \$200/month. The services are necessary to ensure that the house is suitable

for occupancy. This is a direct cost to the program and is used solely for the purpose of this program, therefore the cost is not allocated.

Funds have been budgeted to provide monthly housing assistance to at least one client who experienced domestic violence, dating violence, sexual assault, or stalking. Each client and dependents will receive up to \$500 to assist with rent and utility payments. Housing assistance will not be used to pay for delinquent or past due utility or rental costs.

Funds for Language Line Solutions (LLS) for telephonic interpreting at a rate of \$3.95 per minute are budgeted. In recent years, we have used LLS between 225 and 275 minutes per year, and we anticipate a 10% increase in usage based on recent trends.

**TOTAL OTHER COSTS:** **\$ 87,300**

**J. Indirect Costs** – Indirect costs are allowed if the applicant has a federally approved indirect cost rate. A copy of the rate approval (a fully executed, negotiated agreement) must be submitted with the application. If the applicant does not have an approved rate, they may request one from their cognizant federal agency or choose to charge a de minimis rate of 10% of modified total direct costs (MTDC) in accordance with 2 C.F.R. 200.414(f). If the applicant's accounting system allows for it, costs may be allocated in the direct cost categories.

<u>Description</u>	<u>Computation</u>	<u>Cost</u>
32% of Direct Salaries (Excluding Fringe Benefits)	\$321,000 x 32%	\$102,720

**TOTAL INDIRECT COSTS:** **\$ 102,720**

Sample narrative: The Indirect Cost Rate Agreement was approved by the Department of Health and Human Services, the applicant's cognizant federal agency on January 1, 2023. (A copy of the fully executed, negotiated agreement that covers the current period is attached).

**Budget Summary** – Upon completion of the budget worksheet, transfer the totals for each category to the spaces below. Compute the total direct costs and the total project costs. Indicate the amount of federal funds requested and the amount of non-federal funds that will support the project.

## **Appendix B**

### **Pre-Award Risk Assessment**

## Pre-Award Risk Assessment

Each applicant must respond to each question. **Do not submit responses from a prior fiscal year without updating them to be responsive to all questions listed in the questionnaire.** This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the application being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. 200.334-200.338.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the [DOJ Financial Guide](#) for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management

Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.

9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. 200.331-200.333)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.
11. Is the applicant designated as high risk by a federal agency outside of DOJ? (High risk includes any status under which a federal awarding agency provides additional oversight due to the applicant entity's past performance, or other programmatic or financial concerns with the applicant entity.) If so, provide the names(s) of the federal awarding agency, the date(s) the agency notified the applicant entity of the high risk designation, contact information for the high risk point of contact at the federal agency, and the reason for the high risk status, as set out by the federal agency.

### **Applicant Entity Questionnaire**

## Applicant Entity Questionnaire

**Note:** Applicants must complete this questionnaire in JustGrants. The questions listed below are for reference only.

The Applicant Entity Questionnaire is required for every applicant for OVW funding and therefore includes questions that may not be obviously relevant or specifically focused on a particular grant program. Applicants should provide the most accurate answers and may respond “Yes” to more than one question or “No” to all questions. These questions help OVW understand the organizations that are applying for funding, but the answers do not influence funding decisions.

1. Is the applicant a **sexual assault victim service provider**, defined as a victim service provider for which the primary purpose of the organization is to provide intervention and related assistance to victims of sexual assault without regard to their age (see 34 U.S.C. 12291(a)(50) & 12511(b))?
2. Is the applicant a federally recognized tribe (see 34 U.S.C. 12291(a)(22))?
3. Is the applicant a tribal organization as defined by 34 U.S.C. 12291(a)(45)?

**Note:** 34 U.S.C. 12291(a)(45) defines a tribal organization in three ways:

  - any tribal nonprofit organization (defined by 34 U.S.C. 12291(a)(44) as a victim services provider that has as its primary purpose to assist Native victims of domestic violence, dating violence, sexual assault, or stalking and that has staff and leadership with a demonstrated history of assisting American Indian or Alaska Native victims of domestic violence, dating violence, sexual assault, or stalking).
4. Does the applicant primarily focus on a rural area or community as defined by 34 U.S.C. 12291(a)(32)?

6. Is the applicant a **culturally-specific organization**, defined as a private nonprofit/tribal organization for which the primary purpose of the organization as a whole is to provide culturally specific services to American Indians (including Alaska Natives, Eskimos, and Aleuts), Asian Americans, Native Hawaiians and other Pacific Islanders, Blacks, or Hispanics (see 34 U.S.C. 20421(c) and 12291(a)(8)-(9); 42 U.S.C. 300u-6(g))?
