* The column entitled "Grant Type" indicates whether any records were partially released ("Partial Grant") or fully released ("Total Grant"). The terms "Denial" and "None" also appear in the "Grant Type" Column.								
The term "None" refers to requests that the Division did not process because the requesters never perfected those requests or that the requests were perfected and the Division processed them, but did not locate records responsive to those requests.								
The Term "Denial" means that records were located, and they were fully withheld based upon an exemption.
