

Notice of Forfeiture Judgment

On July 16, 2014, the Honorable William H. Pauley, III, United States District Judge for the Southern District of New York, issued an order forfeiting to the United States \$1.2 billion paid by Toyota Motor Company (“Toyota”) as part of a Deferred Prosecution Agreement Toyota entered into with the United States.

Individuals who believe that they have suffered a pecuniary loss as a result of the conduct alleged in the Statement of Facts attached as Exhibit C to the Deferred Prosecution Agreement between Toyota and the United States and have not received compensation for their loss may now file petitions for remission with the Department of Justice. The deadline for receipt of petitions for remission is October 15, 2014. Attached is a copy of the regulations governing remission and a sample petition.
