Subject: Form 1, Column 3 Value for Litigation Asset
Date: Tuesday, November 12, 2019 11:58:00 AM

Trustees –

The instructions for entering a value in Column 3 of Form 1 provide that a dollar amount should be entered as soon as it becomes known or within one year (whichever occurs first).

When the asset is a law suit for an unknown amount, trustees are concerned about assigning a dollar value. Therefore, we will accept entering a dollar amount of \$1.00 in Column 3 and adding a footnote explaining the value in Column 3 for such asset is a matter of form and is not based on the substance of the litigation itself.

If you have any questions about entering a value in Column 3 of Form 1 or an explanatory footnote, please call or stop by our office.
